

## E-news from Arkey Group – UPCOMING EVENTS

### Excellence and Advances in Seals & Gaskets

**17<sup>th</sup> & 18<sup>th</sup> October 2011, Hotel Sun-n-Sand, Pune, India**

About 16 Papers will be presented at the conference by well known companies involved in the field. A Panel Discussion on “Challenges / Opportunities for Development of the International Market” is also planned on the 2<sup>nd</sup> day of the conference. Delegates from companies involved in manufacturing, and using Seals & Gaskets are expected to attend. The conference presents a good opportunity to interact with both users and manufacturers in the sector. There will also be an exhibition during the conference. 125 Delegates are expected at the conference.

Chief Guest at Inauguration : Mr. R.R.Deshpande, Executive Director, Kirloskar Oil Engines Limited  
Keynote Address : Mr. M.S Shankar, CEO, Victor Gaskets India Limited  
Valedictory Chief Guest : Mr. Kishor Desai, CMD, Kishor Pumps

### Seminar On Advanced Sand Technology For High Quality Castings

**11<sup>th</sup> & 12<sup>th</sup> November 2011, The President Hotel, Prabhat Road, Pune, India**

About 13 papers will be presented from reputed companies supplying foundry chemicals and equipment. Some of the papers are from well known user foundries. The delegates will be given an opportunity to interact with the authors at the end of each session.

About 80 delegates are expected. Participation is expected of Managers / Engineers from Production, Quality Assurance, Methoding, Sand Plant etc.

Chief Guest at Inauguration : Mr. Viraj Naidu, Managing Director, Disa India Limited

### Conference On Advances in Heat Treatment of Forgings and Forging Dies

**23<sup>rd</sup> & 24<sup>th</sup> November 2011, Hotel Sun-n-Sand, Pune, India**

A Conference focused on the heat treatment of forging dies and forged components. About 20 papers are expected to be presented.

Participation is expected from Managers and other Personnel from Forging Industries manufacturing components for Automotive, Railways, and Defence sectors, Material and Equipment Suppliers, Academicians and R&D Personnel. An exhibition is also to be held at the venue. We expect 100 to 125 delegates at the conference.

#### **Directory of Suppliers to Forging Industry**

The directory will contain contact details of suppliers of Die Steels, Steels for Forgings, Equipment Suppliers, Heat Treaters, Quality Control Equipment, Software amongst others. The directory is to be released in November 2011 during the conference on Heat Treatment.
