Dear friends,

We are pleased to inform to you that the preparations for the Measure & Test 2019 in Chennai on 28-30 November 2019 are in full swing as per schedule and the event is shaping quite well.

There are excellent presentations from experts in the field. MMTS Exhibition, which includes Light Weighting and Aluminium Casting Technology along with Measure & Test, offers a very good opportunity to witness developments and requirements in the related fields which can be of interest to professionals working in Measuring & Testing. The 3-Day event offers ample opportunities for interacting, discussing & networking with experts and knowledgeable persons from various fields, as delegates can attend papers of their interest in any of the 3 conferences.

We, therefore, look forward to meeting you on 28-30 November 2019 at the Chennai Trade Centre, Chennai. Your presence will make the event a great success.
